

## First Aid for Pet Owners

presented by  
Dr. Chicory Eddy, DVM

January 10, 2002  
(after the Monthly Club Meeting)  
Gastineau Humane Society

This presentation will be very flexible to fit the interests of the audience. It will include basic bandaging techniques on a live volunteer (Chicory's boy, Badger); problems common to Southeast Alaska such as porcupine quills and Devil's club; and, the Red Cross' First Aid for Dogs and Cats video. There will be ample opportunity for discussion and questions.

### CLUB NEWS

#### Welcome New Members....

Debra Behr and George Utermohle;  
and Michele Schallip.

#### Pet Photos with Santa

Thanks, once again, to Aran Felix,  
Leonard Robertson and the many other  
volunteers who contributed their time  
to Pet Photos with Santa this year.!

#### Christmas Party

Thank you, Jill Grose for hosting yet  
another fun Christmas party. A good  
time was had by all!

#### January Meeting

The regular monthly club meeting will  
be held Thursday, January 10, 6 pm at  
the Gastineau Humane Society. See  
agenda, page 3 for more information.

#### Upcoming Classes

New six-week sessions of Puppy  
Kindergarten and Basic Obedience will  
begin the last week of January. Contact  
Sue McGregor for more information

about the Puppy class,  
gbrezza@hotmail.com or 5863353.  
Contact Gaile Haynes if you are  
interested in the Basic Obedience class,  
gaile@alaska.net or 789-0694.

#### Agility Teaching Assistant Needed

We are in need of an assistant who will  
be willing to advance to teaching within  
the next year. This is a Dogge Dollar  
paid position with full benefits. To  
volunteer or for more information,  
contact Jill Grose at jillg@gci.net or  
789-3239.

#### Ketchikan Agility Trial

The Ketchikan NADAC-sanctioned  
agility trial will be held March 23-24.  
The trial will be held indoors on wood  
chips. Heather and Chris Stockard have  
seen the facility and give you more  
information if you have questions.  
Contact Ginny Wiseman for more  
information at geiseman@kpnunet.net

#### IMPORTANT -- Change to NADAC Rules

NADAC no longer allows registration  
without a NADAC #. It used to be you

could put "pending" in place of the # -  
but no more. ALL dogs (including  
Novice) must have a NADAC Dog  
Registration number when entering a  
trial. Entries are not to be accepted for  
dogs entering using "pending" in lieu  
of a number. If exhibitors have not  
listed a legitimate NADAC registration  
number, their entries are not to be  
accepted. NADAC registration num-  
bers are an alphanumeric sequence that  
begins with a 1, 2, 3, 4, 01- or 02- A  
legitimate registration number could be  
1A333, 4F333, 01-23555, etc. Qualify-  
ing rounds will not be recorded for dog  
without a legitimate registration num-  
ber. Membership numbers in NADAC  
start with an 'M' followed by another  
letter and three digits; they are not to be  
accepted as dog registration numbers.

#### Camp Dog Fun

Ketchikan has organized a wonderful  
getaway "camp" for dogs and their  
human companions in August. Full  
details and a registration form are  
included in this newsletter.

# Shootin' the Breeze

Been to a Capital Kennel Club meeting lately? EVER been to a Capital Kennel Club meeting? Well, consider this your invitation! For new members, or those not yet actively involved in the club, I thought I would tell you a little about our board meetings.

The CKCoJ Board of Directors is comprised of five members; the president, vice president, secretary, treasurer, and member at large. We are responsible for the business aspects of Capital Kennel Club, but we can't do it alone. Our monthly meetings are actually membership/board meetings, as all members are encouraged to attend. Participation is encouraged by allowing all members to vote on issues raised before the board, and there is always plenty of spirited discussion! Attending a board meeting is probably the best way to learn what's going on with the club, to meet other members, and to get more involved with club activities.

In addition to regular business, every other month our board meetings are kept short (generally half an hour) and followed by a talk or presentation. In November we enjoyed a great presentation by Heather Stockard on Rally Obedience. This month we will all learn a great deal about canine first aid, presented by Dr. Chicory Eddy of Southeast Veterinary Clinic. Tentatively, the subject of March's talk is Therapy Dogs.

If you have ideas for presentations, or would like to share an area of interest or expertise with the club, be sure and let me know! In the meantime, please consider coming on Jan. 10th, at 6:00 pm for the Board meeting or at 7:00 pm for Dr. Eddy's presentation. Hope to see you there!

Sue McGregor

## MINUTES

### December 13, 2001

**1. Call to order:** 6:37pm, present: Sue McGregor, Heather Stockard, Chicory Eddy, Susan Rasmussen, Jill Grose, Terry Henson, Don Golnick, Becky Hinman

**2. Consent agenda**

a. Approval of agenda: approved

b. Approval of new members: Debra Behr and Michele Schallip (pending receipt of cheque) - approved

c. Approval of minutes from October 25, 2001 and November 8, 2001 approved

d. Approval of treasurer's report - minor discussion, approved

**3. Action items**

a. Advertising policy: the club at present has an interim policy for advertising in the club newsletter, the board will review the policy and at the next meeting decide if it should become a permanent policy

b. Rosemarie Alexander's membership dues: last year's fees are waived, she is a regular member as of October 2001; M/Terry, S/Chicory

c. Letter to public library re. training book: Gail Haynes found a 4H training book at the public library which

apparently contains objectionable training methods. She requested that the club write a letter to the library asking that the book be removed. The board decided that no action will be taken at this time because this is a 4H matter, it involves the censorship issue, and none of the board members have seen the book. However, the board did approve the purchase and donation to the library of a more appropriate book(max \$50), if one can be found.

d. P.A. system: Jill will pursue finding a club P.A. system for use at Agility trials, Obedience trials, etc. She will report back to the Board with information at a later date.

e. Gaming account: The permit will not be renewed and the account closed since the club has no need for it in the foreseeable future M/Terry, S/Don

**4. Discussion items:**

a. Committees set up at annual meeting. Will publish in the next newsletter what committees are in existence and who is on each of them; much discussion is needed on several topics; this will be an ongoing discussion item at future meetings

b. Doggie dollar revisions: Susan Rasmussen presented a preliminary draft the committee created on distribution of Doggie dollars, much discussion and several suggestions presented, the committee will continue revisions and present again at the next meeting

*Continued on page 3*

## DRAFT AGENDA

### Agenda, CKCoJ Board Meeting

January 10, 2002, 6:00 – 8:30 pm  
Gastineau Humane Society

1. Call to order
2. Consent agenda
  - a. Approval of agenda
  - b. Approval of new members
  - c. Approval of December minutes
  - d. Approval of treasurer's report
3. Action items
  - a. Resignation from Board by Bob Shaw
    - i. Appointment of Linda Shaw to fill position
  - b. Doggie dollars revisions
  - c. Advertising policy
4. Discussion items
  - a. Pet photos with Santa
  - b. Camille's upcoming move
  - c. Pet Festival in February?
5. Routine updates
  - a. Correspondence
6. Adjournment

**Presentation by Dr. Chicory Eddy  
follows the Board meeting...**

#### Meeting Minutes -- Continued from page 2

- c. Instructor expectations/instructions: extensive discussion, committee will schedule a meeting and report at a later board meeting. Three areas of concern were noted:
1. mechanics/specific things instructors have to do to set up a class
  2. actual methods of instruction
  3. future development of instructors within the club. It was decided to solicit areas of concern from current and past instructors to begin the process.
- d. WTC collection of funds: \$197 was collected, the club will match that amount and just round it off to an even \$400 donation
- 5. Routine updates**
- a. Correspondence: none
- b. Committee reports
- Pet photos with Santa: will discuss the success of this event at the next board meeting, after the event is completely finished and numbers can be analysed
- 6. Adjournment** - adjourned at 8:37pm

## DIRECTORY

### BOARD MEMBERS

### CLUB MEETINGS

Regular Club Meetings are generally held the 3rd Thursday of each month. The location varies and is specified in the draft agenda published in the newsletter each month. All members are encouraged to attend. All members' votes are counted when the Board acts on a motion.

## New Dog Sport Barbie Dolls

**Obedience Barbie:** Barbie comes with a training bag full of gear, a set of utility articles, a full set of regulation obedience jumps, her own lawn chair, cooler, a subscription to Front and Finish, and her very own obedience Golden Retriever "OTCh Sparklepond's Shorestepper's Heelalong Fool" better known as "Two-hundred". Accessories such as HIT ribbons and high scoring club plaques can be purchased separately.

**Agility Barbie:** Unlike most slim, attractive versions of Barbie, this Barbie is quite muscular from hauling very heavy A-Frames, teeter-totters, tunnels, and dog walks. She can carry an A-frame panel with one arm and set up all of the contact obstacles single-handedly. Barbie comes complete with a full set of agility equipment, lawn chair, cooler, stopwatch, battery operated fans, an open-sided tent for shade, sunscreen, bug-spray, rain suit, waterproof boots, 57 different agility rule books for all occasions, and her very own courier (Ken) who can hand deliver agility entries to the most popular trials and stand in line for Barbie. Ken also helps set up the equipment. Barbie also comes with her own agility dog, Border Collie "ADCH, MACH, S-NATCH Runaround's Speed Demon etc, etc, etc, ", or "Contact". Trailer for hauling agility equipment sold separately.

**Tracking Judge Barbie:** Barbie comes with a polartec snowsuit, Gore-Tex raingear and boots, wool socks, leather tracking gloves, silk long underwear, sunscreen, bug spray, a baseball cap, a waterproof clipboard, mylar paper and space pens in three colors. She also comes with whistles in two different colors to match the snowsuit and rain gear, a complete set of tracking flags, a compass, and a set of 12 different tracking articles. Unlike most Barbies, this Barbie always has a "bad hair day" so it's best to leave a hood or the baseball cap over her hair at all times. Included in the deluxe version is Barbie's tracking dog "Pokealong's Can't Find Squat TD", or "Sniffer", a Siberian Husky who comes with his own harness and rope as well as a lifetime supply of hot dogs. Sniffer has been known to eat start articles with one gulp and turn the start flag into a large toy at TDX tests, grabbing it in his mouth and running in large circles around the field (especially when there is a large audience watching). This version also comes with a case of Valium for Tracking Judge Barbie for this very reason.

**Earthdog Barbie:** Barbie comes with her very own monogrammed shovel, a custom-built liner for training, and a cage with three live rats. Also included are several pair of jeans, flannel shirts, T-shirts, rain gear, sunscreen, bug spray, and waterproof boots. Barbie comes with several small terriers (you choose the breed) and two first aid kits (one for the dogs when they get in fights, and one for Barbie when she gets her hand in the way) as well as a .38 revolver for emergencies (don't ask). This version of Barbie can be removed from the box but some collectors prefer to leave the terriers in the original box.

**Herding Barbie:** This very popular Barbie comes with her very

## 2002 Calendar of Dog Events

### January 2002

26-27 Conformation (AKC), Anchorage

### February 2002

16-17 Agility Trial (AKC), Wasilla

23 Conformation (ASCA), Chugiak

### March 2002

16 - 17 Obedience Trial (UKC), Mt. Jumbo Gym, Juneau

23-24 Agility Trial (NADAC), Ketchikan

23-24 Conformation (AKC), Anchorage

### April 2002

27-28 Conformation/Obedience (ASCA), Wasilla

own authentic drover coat, Stetson cowboy hat, several pair of cowboy boots, waterproof boots for very inclement weather, silk long johns, wool socks, and a monogrammed staff. Much like Tracking Judge Barbie, this version of Barbie has perpetual "bad hair", so be prepared to leave the cowboy hat on at all times. Also included is her very own monogrammed stretcher so that she can be carried out of the arena when the sheep run over her. Barbie comes with her own Sheltie, "Round 'em Up's Chaser HI", or "Yapper". "Yapper" comes with her own gold-plated chain so that she can be hooked up to the barbed wire fence with all the Cattle Dogs and Border Collies (barbed wire fence not included). Barbie also comes with several sheep, cows, and ducks, making her one of the more expensive Barbies.

**Field Trial Barbie (or Hunting Test Barbie):** This Barbie is by far the most expensive. This Barbie will come equipped with two complete changes of flannel lined jeans, Polar Fleece vests, muck boots, hiking boots, Carhart bibs and coats, rip-stop chaps, oiled dusters, Outback hats, blaze orange vests and hats, leather work gloves, 6 different training whistles with distinct sounds, starter pistols, shotguns, bird bags, and a stock of quail and homing pigeons. She also has 4 complete changes of long underwear and wool socks and a baseball cap to hide her perpetually bad hair. She will also come equipped with a .44 magnum for emergencies. Field Trial Barbie will also come with several dogs at various training levels so that she might always have something to enter. Each dog will have a ground stake, food and water dishes, electronic training collar, and reversible orange and yellow reflective collar. Options available for Field Trial Barbie are the pair of Tennessee Walking Horses tacked out in Trooper Saddles, Calvary headstalls, 20' tie out stakes made out of truck axles, 30' roading line, and old orange juice bottles to carry dog water. Other options will include the three horse slant load trailer with tack room, a quad cab dual axle pick up truck, and an oversized motor home. Other options

# BONE APPETREAT

## SNACKS FOR EPICUREAN DOGS (AND CATS)

# Camp Dog Fun and More

- When:** August 16 - 19, 2002
- Where:** Orton Ranch on the Naha River trail, 25 miles north of Ketchikan, Alaska. The Ranch is at the River outlet into Roosevelt Lagoon, 2 miles from salt water. The trail head is accessible only by boat or float plane.
- Who:** Dogs, handlers, family members
- What:** Trails and swimming, agility, herding, flyball, Frisbee, rally obedience, fishing, bear watching
- Features:** Dog behavior with Dr. Jacqui Nielson DVM, animal behaviorist; nutrition and training with Dr. Dan Walton DVM
- Coaches:** Agility: Pattie Moon; herding and flyball: Jan Wesen ([www.ncia.com/~rwesen](http://www.ncia.com/~rwesen)); rally: Heather Stockard

Depart by boat from Knudson Cove in Ketchikan on Friday at 6 AM (to catch the tide going into Roosevelt Lagoon). Return to Knudson Cove by mid afternoon on Monday. Transportation will be on the chartered 90' crew boat, Shoreline IX. The dogs will travel in their crates on deck. People may choose to travel on deck or in the cabin.

Campers will receive a list of recommended clothing and equipment and the activity schedule by May 1, 2002.

Orton Ranch

Waterfall, Naha River

For information call Ernesta Ballard: 907.247.0846 [bandaktn@ptialaska.net](mailto:bandaktn@ptialaska.net)

# Camp Dog Fun and More

Play with your dog for a long weekend! All camp activities are elective. Choose what you want.

Camp begins with a 2 mile walk for you and your dog along Roosevelt Lagoon to Orton Ranch. The trail consists mostly of board walk and winds along the shore of the lagoon, and then along the Naha River. A tide race connects the Lagoon with the ocean and can be navigated by small boats only at certain times near high tide. Your crate and dog food and heavy or bulky items will be transported to camp. Additional transportation can be arranged for those who cannot walk to camp.

Dogs must be on leash in the group environment, and may be off leash with you on the trails and in the woods. Trail walks, fishing, bear watching and swimming are available all day.

Classes in herding, flyball, Frisbee, rally obedience and agility will be scheduled in mornings and afternoons - no limit to sign-ups. Beginners are welcome. The schedule will be developed to accommodate the interests and skills of participants. Evenings will feature presentations by behaviorist Jacqui Nielson and Dan Walton. Special sessions with Dr. Nielson can be arranged.

Accommodations are dormitory style. The beds have standard mattresses. Each dormitory has a wood stove, bathroom, table and benches. There are no shower facilities but a wonderful bathing river right outside the door. Your dog will sleep in your dorm in her crate.

Orton Ranch is owned and operated by the first Baptist Church of Ketchikan. We will honor their request that there be no drinking or smoking on camp premises. The camp is operated on a 12KW generator. There is sufficient power for camp kitchen and facilities but not for hair dryers or similar personal appliances.

There are very limited first aid facilities at the Ranch. The nearest Hospital is in Ketchikan and it takes a minimum of two hours for a non-emergency medical evacuation. An emergency medical evacuation would be conducted by helicopter and could occur in as little as 30 minutes by may take longer depending on communications difficulties. Because of the remoteness of the Ranch and the difficulty of non-scheduled transportation human and canine campers should be in good health.

Ketchikan, Alaska is a town of 14,000 located in Southeastern Alaska along the Inside Passage. It is 700 air miles from Seattle. You can get to Ketchikan via Alaska Airlines from Seattle or other Alaskan cities, or the ferries of the Alaska Marine Highway from Bellingham, WA or Haines, AK. Knudson Cove is approximately ten miles from Ketchikan and is reached by paved road. Roosevelt Lagoon which forms the entrance to the Naha River is 10 miles from Knudson Cove.
