NADAC Agility Trial in July

This year we're trying something new – a three-day agility trial to allow us to offer all of the new NADAC games! The trial will be the afternoon of Friday, July 26 along with Saturday and Sunday, July 27 and 28. Our judge will be Arlene Courtney of Monmouth, OR who judged a UKC obedience trial in Juneau several years ago. Friday afternoon will be a "Games Day" offering Gamblers, Touch 'n Go, Tunnelers, and Weavers. Saturday will include Gamblers, 2 regular agility runs, Jumpers, and Tunnelers. The Sunday schedule will be Jumpers, 2 regular agility runs, Touch 'n Go, and Weavers. The trial premium will be up on the web site later this month. If you are planning to compete and your dog is not yet registered with NADAC, you should go ahead and send in your registration. The form can be found at: <http://www.nadac.com/registration.htm>.

Volunteers Needed!

We need volunteers to help with the ring runthroughs - a practice judge, steward, ring assistants, set up and break down folks, mat cleaners, and a group with roomy cars to pick up supplies from the storage shed to bring to the armory two times. For more information, contact Aran Felix at jfmcfc@gci.net or 586-3270.

RALLY-O!

Trial Thank You's

I want to say a special thank you to all those who helped make our first rally trial a success. First, a very special thank you to Alexis Rippe for not only making sense of the paperwork without having any precedents to rely on, but also for making valuable suggestions on how to better organize things next time. Thanks also go to our judging apprentices: Roxanne Bash, Vicky McLaughlin, and Chris Urata; our scorekeepers: Betty Seguin, Chicory Eddy, and Camille Stephens; ring stewards: Jill Grose, Mary Opp, and Chris Stockard. Also, thanks to Vicky McLaughlin for booking all the space for the classes, seminar, and trials. A special thanks to Sue McGregor and Marty Messick for being willing to come out and help along with an apology for the confusion over the second trial.

Heather Stockard, Trial Chair

Well, my little guy did it! He is an AKC Champion.....CH Tawny Mist Straight To The Mark. I am not TOO proud of him! Next is his CKC and International Championship titles. I will show him in "Best Of Breed" class now too, so he can work up to the "Top 20" AKC Silky Terrier list. He has a little growing up to do as he is just 1 year, three months old.

Shootin' the Breeze will return next month

About Bud Houston

Bud Houston is one of America's most popular agility teachers, stressing solid handling fundamentals and positive training techniques. He operates Dogwood Training Center in central Ohio, location of Camp Dogwood.

Bud Houston is probably the most prolific writer in the sport of agility. He is the author of 20 volumes of training manuals published in the pages of the Just For Fun Agility Notebook. He wrote the very popular series of Agility Training manuals published by Clean Run Productions (www.cleanrun.com). He co-authored with Stacey Peardot, Go The Distance a training manual aimed at teaching handlers to work at a distance from their dogs; and with Stuart Mah the Clean Run Book of Agility Games, a comprehensive guide to rules for agility games; and with Ruth Van Keuren the Junior Handlers' Training Manual.

Bud is a retired USDAA judge, and AKC Judge Emeritus (agility), and an active JFF and TDAA judge. His contributions to the agility community include founding the Clean Run Magazine, starting the largest Internet-based discussion group on Earth (Agiledogs). Today Bud is the agility editor for the Just For Fun Agility Notebook, a popular agility training publication.

Bud is the founder of Just For Fun Agility (JFF), a loosely knit affiliation of clubs and training centers who do agility... just for fun. JFF is a sanctioning organization for agility league play. An agility league is a community based group that plays agility games in a team format on a prearranged schedule.

Recently Bud has spawned a new agility organization, the Teacup Dogs Agility Association (TDAA). The purpose of the Teacup Dogs Agility Association is to provide a competitive venue for dogs of small stature without regard to breed or pedigree; and to encourage course challenges that are comparable to the course challenges which face large dog handlers in other popular venues.

Bud's expert commentary is featured on the USDAA Nationals video tapes for each of the last five years. These tapes are available through the USDAA (www.usdaa.com). Bud Houston has added to the agility lexicon such technical terms as the Flip, the BLT, the Tandem Turn, and Yeehaw!

The seminars Bud has taught are too numerous to mention. He teaches approximately 20 agility handling seminars a year throughout the United States, and has been twice to Australia, where he led seminars across that continent.
