### Obedience Fun Matches and Wednesday Practices

Over the next couple of months, the club will be hosting several obedience fun matches at Harborview covered playground. The cost is \$5/per dog/per run.

There are many goals for a fun match, including, but not limited to simulating a real trial while positively rewarding your dog inside the ring, seeing exactly where you and your dog are at as a team and individually, identifying what areas need additional work, opportunity to practice good handling skills, etc. Remember this is a fun match, therefore you can talk to your dog and bring rewards (toys and/or treats) in the ring with you. This is not however, a training session.

Wednesday nights at Harborview will be reserved for obedience practices. I plan to have a near full-ring set up for these practices so that individuals will have the opportunity to practice and train in a ring environment. There will be a minimal charge of \$12 (for the entire summer) to cover equipment usage and facility rental costs. The evening will be broken up into different classes thereby providing the necessary space and attention required at the different levels. Let me know if this you're interested in this training opportunity and if so, what training level you are at (obedience class). I will schedule the time for each 'class' (that references obedience class [subnovice, novice, open, utility] rather than teaching a class) depending on the response. Hope to see you Wednesday nights! Contact Gina Vose for more information at woodrush@gci.net or 789-0340.

### Agility Demo a Success!

Although there weren't many dogs able to make it today, the 4th of July Agility Demonstration was a big success! The weather cooperated and there were lots of people there watching. The participants were: Perry & Linda Shipman (Angel & Iris), Chicory Eddy (Badger and Apollo) and myself (with Ben). Everyone did great and had a good time. Hopefully we can get more folks out next year!

Special thanks go to Terry Thurbon for her wonderful M.C'ing debut and to Leslie Kalawara for helping load and set up the equipment. Both of these wonderful ladies volunteered to help out despite being unable to run their own dogs. Finally, thanks to Chicory who did the majority of the organizing for this event. The demonstration is good PR for the club and helps attract people to agility.

Hope everyone had a happy & safe 4th!

### Summer Practices

The club has rented the outdoor covered playgrounds at Harborview on Tuesday, Wednesday and Thursday nights and Riverbend on Wednesday and Thursday nights all from 6-9pm. May and June are booked at both places on Wednesday nights and Thursday nights at Riverbend. We would also like to get together Obedience and Agility practices. Let me know if you are interested in either or both. Jill jillg@gci.net. These places are also available if someone would like to teach a class.

## From the President

At the June board meeting we voted on two new people for positions within the club. First, for **Vice President** of the board of directors, because of the departure of Patti Martin, we voted in **Camille Stephens** to serve out Patti's term as Vice President; thanks to Camille for volunteering!

Second, our **new doggie dollar coordinator** is **Marty Messick**. If anyone has not received doggie dollars for any past activities, please let Marty know, even if you have notified someone previously, as Marty will be dispensing the dough from now on. Thank you to Susan Crandall for serving in this position previously. Marty's email address is mmessick@alaska.net. Her phone number is 789-4232. Thanks to Marty for volunteering for this position!

If anyone is interested in running for the board of directors in October, please let me know. Terms run two years. We will have at least one, and possibly two, positions open with no one running...

The date of the **next board meeting** has been set for Thurs. July 17 at 6:30pm; location TBA. Mark your calendar now!

Finally, the date for the **Annual Club Picnic** has been set for Sunday **July 20**; more information will be forthcoming!

CKCOJ President

# Shootin' The Breeze

Come to the club picnic! We held the first ever CKCoJ picnic last summer, and I missed it. I'm planning on being there this year! The event will take place on Saturday, July 20, from 10am till 2pm, at Cope Park.

We'll start off with some agility, maybe an obedience fun match, and Breezy has been asked to do a little Jr. Hunter demo. I don't know if she will cooperate, what with all of her doggie friends watching it might just prove more tempting to play! Throw in all the great food we'll be sharing (bring a potluck dish!) and a great time will be had by all, no matter what your dog hobby preference is.

Please remember (and I probably don't even need to mention this, but I will...) we are ambassadors for dog people while in the park, and we will need to keep control over our dogs, and to pick up after our dogs.

Thanks to everyone who helped out at the 4th of July Agility demonstration this year – fun as usual! And, of course, a big crowd favorite.

Until next month – get outside and have some summer fun with your dog!

Sue McGregor, President

partly cloudy skies. I attended with our Chocolate Malt Standard Poodle Girl, Reekah of Ben-Cher's.....better known as Rekah Marie.....

She is now an International Champion and also received a Group 3 in Non-sporting for one of the four shows that weekend.

We are very pleased with her and she overcame her apprehensions in the ring of "not wanting to be touched" with much hard work and "boiled chicken bait." A big thank you to the kindness of the judges and their professional approach.

We also had opportunity to see one of her little offspring Ben-Cher's Sir Reginald A. Munoz.....an Argy son. For fun we showed him in the "baby klasse" for 3-6 month olds. Reggie is 3 months old and never had a leash on before the day of the show.

He not only won his class, but we received Best Bred by Exhibitor and he took his Group and Best Puppy to go on to compete in the Best of Show venue. He ended up with 5 medallions that day and very happy parents. Although we started showing him at 2 pm and ended up at 8:30 PM.

Reggie's parents have decided dog showing is not for them, but really enjoyed the opportunity to "show off" their pride and joy.

Plus it was a blessing for me to have one of Rekah's pups evaluated and know we have "little champions" in the making!!! : )

Mike Boyd says to say Hi to all and of course I saw many familiar faces and made new friends and acquaintances as well.

The International Show is a must for the novice dog show enthusiasts and Junior Handlers as well. If anyone would wish more information on the International circuit, by all means give me a call and I'll be happy to share. Or drop me an e-mail. Wow.....What a weekend! It sure exceeded every expectation I might have had. The entries were so small for the Belgians that I wasn't even expecting to finish Cay's championship at these shows. What happened was truly amazing to me and I am still flying high. Cayenne went WB/BOS at Show #1 for 1 point. At

Show #2 Cay took BOB and a Group 1 for a total of 5 points. Things happened so fast. While I was in the herding group ring, Pam was in the breed ring with Rico who went BOB at Show #1. No sooner did I finish in the group ring with Cay, I went back in with Rico who to my surprise also garnered a Group 1 in Show #1. Rico also picked up a Group 3 at Show #2!

On Saturday, Cayenne's second B-day, she garnered a Group 4 for an additional 3 points to finish her Canadian championship. Rico took a Group 2 at the same show. At show #4 Rico picked up another Group 3 and Cay went BOS.

Sunday we started slowing down. Cay took back to back BOS and Rico took BOB at both shows and a Group 4.

At the 6 shows, Rico garnered a group win and 4 group placements. Cay also garnered a group win, a group 4 placement and finished her Canadian championship. I am still floating. *Submitted by Susan Hoffman*
